For	:	METHOD OF MANUFACTURING A SEMICONDUCTOR DEVICE			

**PETITION UNDER 37 CFR § 1.182 TO  
REPRINT THE TITLE PAGE OF US PATENT 7,295,284 B2**

**Mail Stop - Petitions**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Pursuant to 37 CFR § 1.181, Patentee hereby requests that the Title Page of US Patent 7,183,127 B2 (hereinafter "the '127 Patent") be reprinted partly due to error on the part of the United States Patent and Trademark Office (USPTO). The Commissioner for Patents is hereby authorized to charge the requisite \$400.00 petition fee, as required by 37 CFR 1.17(f), or credit any overpayment, to Deposit Account No. 13-4500, Order 1232-5237.

A Petition under 37 CFR § 3.81(b) and Request for Certificate of Correction under 37 CFR § 1.323 to (1) correct the misspelled name of the Assignee, Canon

Kabushiki Kaisha on the Title Page, (2) correct the ‘mm’ in Column 7, Line 51, to --mm-squared--, and (2) issuance of a Certificate of Correction reflecting such correction is being filed contemporaneously with the present Petition.

## **DISCUSSION**

On November 29, 2007, the PART B – FEE(S) TRANSMITTAL of the PTOL-85 was filed with the United States Patent and Trademark Office along with, inter alia, payment of the requisite Issue Fee. The name of the Assignee, CANON KABUSHIKI KAISHA, however, was inadvertently misspelled as “CANON KABUSHIKI KASHA”, i.e., the “i” was inadvertently omitted from KAISHA in item 3 “ASSIGNEE NAME AND RESIDENCE DATA TO BE PRINTED ON THE PATENT”, sub-item (A) “NAME OF ASSIGNEE” of the PTOL-85. As a result of this misspelling, KAISHA was accordingly misspelled under item “(75) Assignee:” on the Title Page of the ‘127 Patent.

In view of the above, Patentees, via the contemporaneously filed Petition under 37 CFR § 3.81(b) and Request for Certificate of Correction under 37 CFR § 1.323, requesting that the misspelling of the Assignees name on the Title Page of the ‘127 Patent be issued. The contemporaneously filed Petition and Request also requested correction of the USPTO printing error in Column 7, Line 51, of the ‘127 Patent, in which “mm” should be changed to --mm-squared--.

Upon granting the contemporaneously filed Petition under 37 CFR § 3.81(b) and Request for Certificate of Correction under 37 CFR § 1.323, Patentee requests that the Commissioner for Patents reprint the Title Page of the '284 Patent to include:

“(73) Assignee: Canon Kabushiki Kaisha, Tokyo (JP)”.

### **CONCLUSION**

In view of the above, Patentee requests that the Title Page of the '284 Patent be reprinted, subsequent to issuance of the subject Certificate of Correction, to identify the correct spelling of the Assignee, Canon Kabushiki Kaisha on the reprinted Title Page of the '127 Patent .

**AUTHORIZATION**

The Commissioner for patents is hereby authorized to charge any additional fees which may be required for the timely consideration of this Petition, or credit any overpayment, to Deposit Account No. 13-4500, Order 1232-5237.

Respectfully submitted,  
MORGAN & FINNEGAN, L.L.P.
